COCKATOO ISLAND

Discover a different side to Sydney with a trip to Cockatoo Island / Wareamah. Located in the heart of Sydney Harbour, the island is a source of adventure and inspiration with its panoramic views and historic landmarks. A popular attraction is the UNESCO World Heritage listed Convict Site, which provides visitors with a window into the era when Cockatoo Island was a convict gaol (1839-69). Buildings that survived from this turbulent period were constructed by convicts, using blocks quarried from the island's sandstone.
